BRIDGES BLOWN BY
FRENCH IN SALONKI
TO FOIL AN ADVANCENo New Offensive Has Been
Started in Balkans by
the Germans.

ARMISTICE CAUSES UNEASINESS

Military Experts Fear That Mon-
tegrino Has Enough of War Cen-
sor for Italy Is Modified Position De-
tails, But Reaction Was Costly.

By Associated Press.

LONDON, Jan. 14.—It is authorita-
tively stated today that the re-
ported offensive of the Austro-Hungarian
armies in Salonki did not occur. The
rumor that the attack had been begun
against the forces of the Allies ap-
parently originated in the activity of
the French in blowing up the bridges
connecting Salonki with the road over
which the attackers would normally
travel. Bridges were destroyed by the
French, not only at Demir Hisar, on
the Struma, in the neighborhood of
Sturza, but also at Kilitir, south of
Dimitrievo. All the bridges destroyed
were in Greek territory.

The rumor that Austria and Mon-
tegrino have suspended hostilities for
the purpose of discussing arrange-
ments whereby further warfare in
Montenegro will be stopped, may be
based simply on the fact that the
Austrian advance in Montenegro has
become so slow that suspicion of a
suspension of hostilities is being
naturally aroused. Military critics,
however, are of the opinion that
Montenegro is now in such a position
that some form of arrangement
with her adversary has become im-
probable.

Speculation is also as to the attitude
which Italy has adopted with regard
to the invasion of Albania. Italy
has been waiting with much inter-
est here and it is observed that both
sides are usually reticent with regard
to the operations. Austria usually
keeps the most information on the
military activities in that region, but
beyond a general review of the Rus-
sian offensive movement, she gives to-
day but little light on the influence
on her eastern front.

MARTIAL LAW IN HAWAII

U. S. Troops Take Control of Hono-
lulu, Honolulu, Hawaii.

By Associated Press.

HONOLULU, Jan. 14.—Honolulu's
military district was patrolled by
soldiers early today as a result of a
suspension of the civil liberties which
was participated in by
approximately five hundred United
States troops of the Ninth Cavalry.
During the demonstration all the es-
tablishments conducted by white per-
sons were wrecked, and many of them
were looted. Efforts of the police
force to quell the disturbances were
fruitless and the section presented a
scene of confusion until a battalion of
the Second United States Cavalry,
with fixed bayonets and a detachment
of mounted scouts appeared.

When the streets had been cleared
the district was left in military con-
trol. The reason for the demonstra-
tion has not been announced.

SENATOR WORK DEMANDS
INTERVENTION IN MEXICOUrges Congress to Relieve President
of Responsibility in
the Matter.

By Associated Press.

WASHINGTON, Jan. 14.—Senator
Works, Republican of California, to-
day introduced a resolution authoriz-
ing and directing the President to in-
tervene in Mexico and establish and
maintain a government there until it
is safe to withdraw.

"Up to this time," said Senator
Works in the Senate, "Congress has
permitted all responsibility for condi-
tions in Mexico to rest upon the
President. It is too grave a respon-
sibility. We have all sympathized with
him in the hope that conditions would
right themselves without intervention.
I very much doubt now that such a
peaceful outcome is possible.

"Congress alone has the right to de-
clare war and that is what intervention
means. Congress should equitably
shoulder the responsibility. There is
no reason for dividing the responsibility
with other nations or to impose it
upon the President. I ask that the
resolution be referred to the foreign
relations committee with the hope that
it will take prompt action."

Senator Lodge submitted the same
resolution he offered April 21, 1914,
as a substitute for the resolution the
Senate then adopted authorizing the
President to use armed forces in
Mexico to enforce its commands on
General Huerta and asked that it be
reprinted in the record.

"That resolution," said Senator
Lodge, "expressed the Republican atti-
tude regarding the war against Huerta.
That war has reached a successful
termination inasmuch as Mr. Huerta
has just died in jail."

Philander Chase Knox Formally Announces
His Candidacy for United States Senate

The formal announcement of the
candidacy of Philander C. Knox for
the United States Senate was made
last night. It struck a popular
chord throughout the state,
leaders everywhere promptly an-
nouncing that they would support
him in the primary and in the Novem-
ber election.

It is extremely improbable that Mr.
Knox will be opposed for the Republi-
can nomination and in all probability
he will be given the Progressive nomi-
nation as well, insuring his election
by an unprecedented majority. Every

element of the Republican party has
endorsed him and secured him of its
support. The Governor speaking for
himself and the Vice President being
the last to make formal declarations
of support, Mr. Knox's candidacy is
assured of success.

Mr. Knox has been a member of the
Senate for many years and has been
one of the most prominent and influ-
ential members of the body. He has
been a strong supporter of the Republi-
can party and has been a leading
figure in the movement for the
reconstruction of the South.

His candidacy for the United States
Senate is a natural one and he is
certain to receive the support of the
Republican party and the Progressive
party.

Mr. Knox's candidacy is a great
asset to the Republican party and
he is certain to be elected to the
Senate.

K. OF P. INSTALLATION

Lodge Holds Big Meeting When New
Officers Take Charge.

An enthusiastic meeting of Es-
sential Lodge No. 239, Knights of
Pythias, was held last evening. About
seventy-five members were present to
witness the installation of the follow-
ing officers for the ensuing year:

Past chancellor, R. W. DeBolt;
vice chancellor, B. Zerkoff; prelate,
R. C. Shupe; master of work, R. W.
DeBolt; master at arms, G. Foster
Smith; inner guard, J. J. Lauer;
outer guard, A. C. Campbell.

The installing officer was F. L.
Truman, district deputy chancellor of
Lodge No. 294, Uniontown, who as-
sisted by James Addis, past chan-
cellor, William Robbins and C. Mc-
Gee, district deputy grand chancellor.

Following the meeting, supper was
served at the Best Ever restaurant.
Among the out of town visitors
were J. C. Ulery and L. M. Salyer,
past masters of Lodge 238, Uniontown; P.

PROMPT COKE NOW
STRONG AT \$3 AND
RECOVERY IS GOODPrice Rises Quickly After
Slump Due to Youngs-
town Strike.

QUALITY IS A STRONG FACTOR

Pittsburgh Wants Only the Best Grades
as Pig Iron Is Bringing a Big
Profit: Better the Coke the Greater
Is the Output of the Stocks.

The Connellsville coke market is
now established at \$3 a ton for
prompt delivery. The sale of a
thousand tons at that figure for ship-
ment today and tomorrow, apparently
makes it the market. Prompt coke
fell as low as \$2.50 as a result of the
Youngstown strike, and the rapid re-
covery is most encouraging to the
merchant operators. The price has
gone up 50 cents a ton in spite of
the fact that the Youngstown Sheet
& Tube Company and the Southern
Pittsburgh Company are still out-
standing, thereby reducing the consump-
tion of coke in the valleys materially.

There is second grade coke avail-
able at less than \$3, but it is not
finding a ready market. The fur-
nace now want the best coke that
can be obtained. The pig iron is selling
at a wide margin of profit, and the
better the coke the greater the out-
put.

It is expected that both the
Youngstown and Southern gracks will
soon have absorbed the accumulation
of coke at their plants and that nor-
mal conditions will be restored. In
that event it is predicted that prompt
coke will again be up to the fancy
levels that prevailed a few weeks ago.

TO IMPROVE PRISON

Fayette Criminal Institution to Be
Made More Habitable.

A long step in the improvement of
conditions at the Fayette county jail
was taken at a meeting of the prison
board yesterday afternoon. Prisoners
are to have cleaner and better quarters,
jailers will be better paid, and there is to
be much improvement in ventilation,
lighting, and food.

The entire interior of the jail is to be
replaced with concrete, shower baths
are to be provided for male prisoners;
new beds are to be constructed in each
cell; an electric light will be placed
outside each cell door, and there is to
be much improvement in ventilation,
lighting, and food.

GRIP EPIDEMIC IS
SPREADING; HORSES
AND DOGS AFFECTEDVeterinarians Treating Ani-
mals Suffering With
the Disease.

CATS SO FAR HAVE ESCAPED

Old Timers Say That Back in 1872
Horses Were Similarly Afflicted
Only It Was Called Epizootic; Many
Cases Developing From Day to Day

The epidemic of grip which has
swept Western Pennsylvania has con-
nected in its grip. There are thou-
sands of cases scattered throughout the
city and dogs and horses are now af-
fected. Cats, so far as known, have
not as yet contracted the disease, al-
though their proximity for men-
dering, but there are any number
of dogs and horses suffering from the
disease. If you don't believe it, ask
a veterinarian.

Horses are incapacitated for work
by a species of influenza, which is
nothing more than grip. They get
colds in their heads just like their
masters, their noses run profusely and
a general lassitude makes work look
as onerous to them as it does to a
man when he is down with the grip.
It makes dogs even sicker.

"Yes, indeed, our dog had the grip,"
a young woman said this morning.
"We had the doctor for him and he
said it was the same disease as people.
He told us to give him the same
medicine I was taking myself for the
grip. We did, and he also gave him
some cough medicine, for we thought
he was going to die. He is all right
now, but he has a cough, and he is as
sick as I am for a while."

The story is told of one dog that was
taken down with the grip. The cold
in his head was very severe and not being
stung by a handkerchief, he was
compelled to hunt around for a rag
with which to wipe his nose. He was
found dozing his nose with a rag,
holding it between his paws, much
after the fashion of a human being un-
der the same circumstances.

A dog is severely handicapped when
he gets a cold in his head, for his head
is mostly nose and requires more at-
tention than a man whose nose is only
usually prominent with his other fea-
tures.

Old timers recall that in 1872 horses
were similarly afflicted. An epidemic
of epizootic prevailed at that time.
Cats, strange to say, are not among
the grip patients. One man stated to-
day that his cat had been, and was
strongly, but he thought it was mean-
ingless.

"I am going to investigate," he
said, "for I am now inclined to believe
he has the grip. He gets around
about to catch anything. If it is the
measles, however, I hope you won't
tell the board of health, for we don't
want to be quarantined again."

Harry T. Ashe, principal of the
schools at Springdale, a former resi-
dent of Connellsville, is visiting his
brother, S. P. Ashe, superintendent
of schools here. The schools at
Springdale are closed because of an
epidemic of grip. At least 25 per cent.
of the pupils are out of school.

Merchants Hear Talks
Retail Merchants' Field Secretary Ad-
dresses Slim Crowd.

The interest which the members of
the Business and Professional Men's
Association take in their organization
was demonstrated last night when but
14 turned out to hear the address of
William Smalley, of Philadelphia, field
secretary of the Retail Merchants'
Association of Pennsylvania. The ad-
dress was an especially interesting one
to business men for Mr. Smalley
showed a thorough grasp of all the de-
tails of merchandising and offered
solutions for the various problems
that merchants are faced with.

Mr. Smalley took up credit, trading
stamp, catalog houses, unfair com-
petition and other subjects. His address
was largely made up of witty com-
ments and was well worth listening
to.

Officers of the association as elected
last night follow: F. T. Evans, presi-
dent; W. T. Mohr, vice president; W. E.
Schenck, secretary and treasurer; Ed-
ward Baer, D. B. Greiner, W. O. Adrian,
C. A. Crowley, E. H. Koelker, H. L.
Silcox, J. G. Timpan, A. Hager, T.
S. Barner and A. J. Kobacker com-
prise the executive committee along
with the officers.

A Hint to Mothers Of Growing Children

A Mild Laxative at Regular Intervals Will Prevent Constipation.

A vital point upon which all schools of medicine seem to agree is that normal regularity of the bowels is an essential to good health. The importance of this is impressed particularly on mothers of growing children.

A very valuable remedy that should be kept in every home for use as occasion is Dr. Caldwell's Syrup Pepsin, a compound of simple laxative herbs that has been prescribed by Dr. W. B. Caldwell, of Monticello, Ill., for more than twenty years, and which can now be obtained in any well stocked drug store for fifty cents a bottle.

In a recent letter to Dr. Caldwell, Mrs. E. C. Turner, 344 Main St., Buffalo, N. Y., says, "I bought a bottle of Dr. Caldwell's Syrup Pepsin for my baby, Roland Lee Turner, and it works just like you said it would. It is fine for the stomach and bowels."

ROLAND LEE TURNER.
A bottle of Dr. Caldwell's Syrup Pepsin should be in every home. A little bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 461 Washington St., Monticello, Ill.

SWAMP-ROOT SAVES KIDNEY SUFFERERS

You naturally feel secure when you know that Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, is absolutely pure and contains no harmful or habit producing drugs.

The same standard of purity, strength and excellence, prescribed by Dr. Kilmer many years ago, is maintained in every bottle of Swamp-Root. Swamp-Root is scientifically compounded from vegetable herbs. It is not a stimulant and is taken in teaspoonful doses. It is not recommended for everything. According to varied testimony it is nature's great helper in relieving and overcoming kidney, liver and bladder troubles.

If you suffer, don't delay another day. Go to your nearest druggist and get a bottle. All drug stores sell it in two sizes—fifty cents and one dollar.

However, if you wish first to try this great preparation send ten cents to Dr. Kilmer & Co., Birmingham, N. Y., for a sample bottle. When writing be sure and mention the Connellsville Daily Courier—Adv.

BRONCHITIS SUFFERER

Cured by a Simple Remedy.

Columbus, Ga. "I am telling everybody what Vinol has done for my husband. He had a bronchial cough. The system was run down and I felt sure he would die. His father isolated on his trying Vinol, and I am so thankful he did, because it cured his cough and built him up. My doctor highly recommends it and said he could take nothing better." Mrs. Thomas Blank.

Vinol, you know, contains the real and liver curative extract, together with iron, and beef peptone. It enriches and vitalizes the blood and cures the system the vital elements necessary to strengthen the body and throw off the disease. That is the reason it is so successful in Dr. Monks' cure.

Anyone in Connellsville who has bronchitis, a chronic cough, or needs building up may try a bottle of Vinol with the understanding that his money will be returned if he is not satisfied. Lauchrey Drug Co., Connellsville. Adv.

The Habit of Taking Cold.

With many people taking cold, a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not too cold, but a temperature of about 80 degrees Fahrenheit. Also sleep with your windows up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable anywhere. Adv.

AHI! BACKACHE GONE! RUB LUMBAGO AWAY

Small Trial Bottle of Old "St. Jacob's Oil."

Ahi! Pain in your back! Quickly—Yes! Almost instant relief from soreness, stiffness, lameness and pain follows a gentle rubbing with "St. Jacob's Oil."

It rubs this soothing, penetrating oil right on your painful back, and like magic, relief comes. "St. Jacob's Oil" is a harmless balsam, lumbago and sciatica cure which never disappoints and doesn't burn the skin.

Straighten up! Quit complaining! Stop those torturing "stitches." In a moment you will forget that you ever had a weak back, because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of old, honest "St. Jacob's Oil" from your druggist now and get this lasting relief. Adv.

Two new cases of measles were reported. The patients are William Carr, four years old, of 535 Morrell avenue, and Elmer Forsythe, three years old, of 612 Murphy avenue. The latter home is already quarantined.

A MODISH VERSION OF THREE IN ONE.

Here we have a stylish suit hand-dyed with Beaver to match the fur collar and cuffs. The high of the illustration, however, is the valuable capelet gloves with combination stitching. Capeskins are not improved as capeskins are not. They are best cleaned on the hand with a soft cloth and pure soap, by gentle rubbing one way.

BALTIMORE & OHIO TRIES HARD TO GET BY THE OLD JOKES

Chicago Newspaper Comments on Depravity of Such Humor.

MALEVOLENCE IS IMMORTAL

Despite the fact that System has spent millions and is one of the finest in country, human mind is on regarding it as otherwise.

That the depravity of a joke may be continued to its end but may be in its persistence in utter disregard of experience and knowledge is pointed out by the Chicago Tribune, which in a recent editorial incident, to an apology for perpetuating a "wretched" joke, pays a compliment to the reconstructed Baltimore & Ohio railroad.

The Tribune said: "The immutability of depravity of our standardized jokes is appalling. They grow old without gaining wit, but without losing vigor. They will insinuate themselves into the most circumspect thought. Their depravity is inherent."

"The Baltimore & Ohio railroad has a grievance against The Tribune and it is about as justified as any that has come in for a year. In an editorial which had no more relation to the Baltimore & Ohio than it had to Ramey II, an editorial on children and Christmas toys, the sentence 'They may entrain in the American cars of the great old Baltimore & Ohio, if they care to risk it' inserted itself. We insist, inserted itself. It is a part of the standardized joke not only to live forever but to be active instrument in its wrongdoing."

"The Baltimore & Ohio joke has reached the expenditure of \$100,000,000 in one of the great enterprises of railroad reconstruction known in American railroading. It is that the Baltimore & Ohio shall remain the road of bumps and curves on which Ramey found that he was washing another man's face. The Erie was also the victim of a joke, but the Erie decided it was useless to flee. It decided to adopt the thing and wear it out by entertaining it. The patrons of the Erie were given every variety of the joke that could be found or invented. The road is not a victim of a joke, but a constructive genius, but its rebuilder concluded it was beyond their power to reconstruct the minds in which the joke had lodged."

"Some one in the establishment of a certain distinguished pacifist, now approaching Scandinavian parts, realized that the product of a joke, if it might never be able to go far enough to outrun a joke that had attacked it and chose to make friends and travel along with it."

"The human mind is about as conventional and stable as an Egyptian frieze. It took the Baltimore & Ohio as a symbol of a rough and bounding railroad and simply 'rests' experience and knowledge."

STOMACH TROUBLES DUE TO ACIDITY

So-called stomach troubles, such as indigestion, wind, stomach-ache and inability to retain food, are in probability nine cases out of ten simply evidence that fermentation, the result of excess acid, is taking place in the food contents of the stomach causing the formation of gas. Wind distends the stomach and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excessive secretion of acid and the fermentation of food. Such fermentation is unnatural and may involve harmful consequences if not corrected. To stop or prevent fermentation of food contents of the stomach and to neutralize the acid, and render it bland and harmless, a teaspoonful of Malted Maseena, perhaps the best and most effective corrector of acid stomach known, should be taken in a quart of a glass of hot or cold water immediately after eating, or whenever wind or acidity is felt. This stops the fermentation, and neutralizes the acidity in a few moments. Fermentation, wind and acidity are unnecessary. Stop or prevent them by the use of proper antacid, such as Malted Maseena, which can be obtained from any druggist, and thus enable the stomach to do its work properly without being hindered by gas and excessive acid.—Adv.

**WOMAN WEAK,
DIZZY, NERVOUS**

Health Restored by Lydia E. Pinkham's Vegetable Compound.

Jamaica, N. Y.—"I suffered greatly with my head and with backache, was weak, dizzy, nervous, with hot flashes and felt very miserable, as I was irregular for two years. One day when I was feeling unusually bad my sister-in-law came in and said, 'I wish you would try Lydia E. Pinkham's Compound.' So I began taking it and I am now in good health and am cured. I took the compound three times a day after meals, and on retiring at night. I always keep a bottle in the house."—Mrs. L. DURNHAM, 35 Globe Ave., Jamaica, N. Y.

Women who recover their health naturally tell others what helped them. Some write and allow their names and photographs to be published with testimonials. Many more tell their friends.

If you need a medicine for Women's Ailments, try Lydia E. Pinkham's Vegetable Compound. Write Lydia E. Pinkham Medicine Co. (confidential) for anything you need to know about these troubles.

HOW TO BE SLIM

If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your system, or think you must always be laughed at on account of your fat, but go to any good druggist and get a bottle of Oil of Kola capsules, take one after each meal and one before retiring at night.

Weigh yourself once a week and note what a pleasant and reliable method this is for removing superfluous fat from any part of the body.

It costs little, is absolutely harmless and I am sure a week's trial should convince anyone that it is unnecessary to be burdened with even a single pound of unsightly fat.—A. A. Clarke can supply you.
